Forecast for Monday 01 Mar 2021

Weather: Perhaps a few fog patches and some low cloud in places to start the day, a few sunny spells developing by the afternoon, clouding over again in the evening.

Chance of cloud free mountain/hill tops above 600m: 60%, broken cloud around the tops in the morning, cloud breaking and lifting in the afternoon.

Visibility: Low cloud broken above 400m in the morning, the cloud base will lift above the summits later in the morning and break to give a few sunny intervals in the afternoon. Visibility below the cloud will be good and in the afternoon visibility will become very good.
